BUILDING BLESSED CLASSROOMS

FOUNDATION LEVEL

The School Run Foundation

program is made up of **3 modules** :

introduce- 3 to 5 years

Investigate- 5 to 7 years

Indulge- 7 plus

Each module is made of **3 sessions**

which are designed and targeted at a particular age group.

Each module is run for a year of the academic calendar. Each module also comprises of **3 sessions** which are delivered each term. Each session is based on a theme and it also made up of **3 lessons**.

LESSON DETAILS

Each lesson has 2 main blocks:

- Classroom based - which involves lessons from the school curriculum to make the lessons meaningful and interactive. There are 7 lessons in this block, namely, sensory, science, literacy social studies, maths, art and music
- Beyond classroom- these are activities that teach the CHRISSELL principles :
 - Christian character building
 - Leadership development
 - Social and emotional learning

Lessons are delivered once a month either by the Anyedoo facilitator or the classroom teacher

THE PROGRAM

Success isn't all IQ. Indeed studies in some states in the United States have shown that schools that have Social and emotional learning infused into their curricula outperform their counterparts by up to 11 times.

The School Run is a holistic curriculum-based program which uses reading as a tool to change the school culture by introducing Christian Social and Emotional learning and leadership (CHRISSELL) to the classrooms. Specifically the program transforms classrooms into a BLESSED one, enabling the environment for both academic and lifelong success. To achieve this, we work with the following stakeholders:

GETTING STARTED

SIGN UP - Contact us and request for a demo.

SELECT - Discuss the program details and select starting level and date.

SET UP - Sign agreement, engage teachers and other staff and work on classroom setup.

PRICING

We offer 3 affordable and flexible payment plans because we at Anyedoo, believe in accessibility and availability

DEMO- All requests for Demos are at 200ghc per session
